VYOMA 4.0

Over the Moon through Cosmic Thrill.....!!

Every year, the Department of Aerospace Engineering hosts a technical festival called "VYOMA." To continue the same tempo this year the same event held on **21st November 2025** with the name "VYOMA-4.0 Over the Moon through Cosmic Thrill"

The core aim of VYOMA is to promote practical learning beyond the classroom while inspiring students to innovate.

The major objectives include:

- Encouraging creative thinking and problem-solving skills.
- Providing a platform for students to exhibit technical talents.
- Bridging the gap between academic concepts and real-world aerospace applications.
- Promoting teamwork, leadership, and organizational skills.
- Creating opportunities for interaction with industry professionals and alumni.
- Enhancing awareness about current developments in aerospace science, design, and technology.

It was a great moment when our HOD unveiled the poster and teaser as the first indication of the event's Success.

GLIMPSE OF POSTER AND PROMO LAUNCHING...

The inauguration ceremony marked the formal beginning of the event with a sense of enthusiasm and purpose. The program commenced with a warm welcome, followed by the lighting of the lamp, symbolizing knowledge and positivity. Distinguished Principle , Register and HODs of various Department addressed the gathering, highlighting the importance of the event and encouraging active participation. The ceremony concluded on an inspiring note, setting a positive tone for the sessions that followed.

INAUGURATION BY PRINCIPAL, REGISTRAR & HODs OF VARIOUS DEPARTMENTS:

EVENTS ORGANIZED:

As a part of Technical Fest, we organised several Technical and Non-Technical events to attract students and make them to participate in games. The games organised were as follows,

Technical Events: Quiz and Collaborative work

Non-Technical Events: Treasure Hunt and RC car Race.

GLIMPSE OF EVENTS ORGANIZED

DEMONSTRATION OF PLANETARIUM:

Created a dome shaped screen that projects realistic shows of stars ,planets and celestial events to educate and entertain students and audiences about astronomy, using sophisticated projectors to simulate the night sky and space exploration.

GLIMPSE OF PLANETARIUM

EVENTS AND PARTICIPATION DETAILS:

Sl.No	Event Name	No of Participants	Winner	Runner-up
1	Quiz	08	Cs Dept	EC &AE Dept
2	Collaborative Work	-	-	-
3	Treasure Hunt	74	Cs Dept	Cs Dept
4	RC car race	04	IS Dept	-
